FREE FAMILY FESTIVAL

Get ready for CapelFest in 2010!
It's a family friendly festival jam packed with entertainment all day, live street theatre, and over one hundred stalls displaying a variety of products.

Kids will love the animal nursery, Apex train, free workshops and face painting, as well as Side Show Alley, the local playground, skate park and much more.

There will be log chopping, historic cars on exhibit and a display of local and regional artworks competing for the new Artistic Flair Awards. Taste local wines and cheeses or enjoy a quiet cuppa in the Senior Citizen's tent.

Come and support the many local community and sporting groups that fundraise on the day. Their help with this event attracts more than 10,000 people from around the State.
